Hotel Rules:

- be respectful to all hotel employees and guests
- you cannot go into any room of the opposite sex
- you cannot hang out in hallways or carry on conversations in doorways (find lobby space or areas by the POOL)
- you can hang out in lobby areas, but be quiet and respectful in these shared spaces
- you may not use any “paid for” items in the room
- do not let the door slam shut to your room
- follow all POOL rules and be courteous of other guests in the POOL area

Definition of Terms:

**All in Rooms:** This means you must be in your assigned room and you cannot leave your room again for any reason. Chaperones will begin room checks.

**Lights Out:** You must be quiet and stay in your room with lights out for the remainder of the evening. Go to sleep!
