Weekly sectionals are now only mandatory for Wind Ensemble. A sectional every 4-5 weeks is mandatory for Advanced Band. However, Advanced Band sectionals (student led) can be held more than the required one every 4-5 weeks, especially leading up to major performances. Same with Concert Band sectionals.

**Advanced Band will meet with section coaches every 4-5 weeks (see calendar).  
During these selected Advanced Band weeks, Wind Ensemble holds student led sectionals.**
